trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your PCAT exam: the concepts, procedures, principles, and vocabulary that the PsychCorp, a brand of Harcourt Assessment expects you to have mastered before sitting for your exam. The Writing section covers: * Organization of Ideas * Language Facility * Understanding the Assignment * Developing Ideas * Argumentative and Persuasive Writing The Biology section covers: * General Biology * Microbiology * Human Anatomy and Physiology The Chemistry section covers: * General Chemistry * Organic Chemistry The Critical Reading section covers: * Comprehension Skills * Critical Thinking Skills * Testing Tips The Quantitative Reasoning section covers: * Basic Math and Algebra * Probability and Statistics * Precalculus * Trigonometry * Calculus ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix PCAT study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of PCAT practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our PCAT Study Guide 2021-2022 - PCAT Prep Book Secrets is no exception. It's an excellent investment in your future. Get

the PCAT review you need to be successful on your exam.

Peterson's Master the PCAT is an in-depth review that offers thorough preparation for the computer-based exam. After learning about the structure, format, scoring and score reporting, and the subtests and question types, you can take a diagnostic test to learn about your strengths and weaknesses. The next six parts of the eBook are focused on detailed subject reviews for each subtest: verbal ability, reading comprehension, biology, chemistry, quantitative ability, and writing. Each review includes practice questions with detailed answer explanations. You can take two practice tests to track your study progress. The tests also offer detailed answer explanations to further improve your knowledge and understanding of the tested subjects. The eBook concludes with an appendix that provides helpful information on a variety of careers in pharmacy and ten in-depth career profiles.

"Access to 2 full-length practice tests; extensive Physics review covering electricity, mechanics, kinematics, and more; strategies for Math, Reading, and Science sections"--Cover.
