My Reflections On American History

My Reflection of U.S.
History. This online U.S.
History class has taught me
a lot about who I am as a
student. Since I had
previously taken 2 other
online classes prior I
thought this class would be
a breeze, but what I came to
find is that it was actually
a little harder than what I
had perceived. The readings
for me and time management
was what I encountered to be
my biggest opportunities.
