Cornel West Race Matters Cornel West

Cornel West is at the forefront of thinking about race. In *Race Matters* he addresses a range of issues, from the crisis in black leadership and the myths surrounding black sexuality to affirmative action, the new black conservatism, and the strained relations between Jews and African Americans. He never hesitates to confront the prejudices of all his readers or wavers in his insistence that they share a common destiny.

in America, the director of Princeton's Afro-American Studies program, professor of religion, and self-described "intellectual freedom-fighter" calls for moral regeneration and profound social change.

RACE MATTERS | Kirkus Reviews

CORNEL WEST ARGUES that the main obstacle to harmonious race relations in the United States is "nihilism" — the sense of worthlessness that exists among most Blacks. In his profound book, *Race Matters*, written in early 1993, West explains his philosophy and calls on Blacks, and whites, to understand that racism and race are woven in American history and can never be eradicated without understanding that "race matters" in everything

legacy of Malcolm X. The insights Dr. West brings to these complex problems remain relevant, provocative, creative, and compassionate. In a new introduction for the twenty-fifth-anniversary edition, Dr. West argues that we are in the midst of a spiritual blackout characterized by imperial decline, racial animosity, and unchecked brutality and terror as seen in Baltimore, Ferguson, and Charlottesville. Calling for a moral and spiritual awakening, Dr. West finds hope in the collective and visionary resistance exemplified by the Movement for Black Lives, Standing Rock, and the Black freedom tradition. Now more than ever, *Race Matters* is an essential book for all Americans, helping us to build a genuine multiracial democracy in the new millennium.

Download Free Race Matters Cornel West

First published in 1993 on the one-year anniversary of the L.A. riots, *Race Matters* has since become an American classic. Beacon Press is proud to present this hardcover edition with a new introduction by Cornel West. The issues that it addresses are as controversial and urgent as before, and West's insights remain fresh, exciting, and timely. Now more than ever, *Race Matters* is a book for all Americans—one that will help us build a genuine multiracial democracy.

“ Uncompromising and unconventional . . . Cornel West is an eloquent prophet with attitude. ” —Newsweek “ West reveals himself as a thinker of dazzling erudition, whose critiques are inevitably balanced by an infectious optimism

in America and in the crisis-ridden Middle East. In a strikingly original diagnosis, he argues that if America is to become a better steward of democratization around the world, we must first wake up to the long history of imperialist corruption that has plagued our own democracy. Both our failure to foster peace in the Israeli-Palestinian conflict and the crisis of Islamist anti-Americanism stem largely from hypocrisies in our dealings with the world. Racism and imperial expansionism have gone hand in hand in our country's inexorable drive toward hegemony, and our current militarism is only the latest expression of that drive. Even as we are shocked by Islamic fundamentalism, our own brand of fundamentalism, which West dubs Constantinian Christianity, has joined forces with imperialist corporate and

"You can ' t lead the people if you don ' t love the people. You can ' t save the people if you don ' t serve the people." The New York Times bestselling author of *Race Matters* and *Democracy Matters* offers provocative, open-hearted wisdom for our times. In a world that yearns for unarmed truth and unconditional love, in the midst of cold greed and blind hatred, *Hope on a Tightrope* offers a new compass. This courageous collection will challenge all those in search of new perspectives and provides deep wells of inspiration that marry the mind to the heart. Whether writing on race and

identity, courage and faith, or music and philosophy, Dr. West reveals himself as a brilliant philosopher who loves us enough to make us think. He challenges us, stimulates us and never, ever stops serving us. As you read the book, allow yourself to contemplate Dr. West's wisdom. Let him become your intellectual and spiritual sparring partner, and stand on his shoulders to gain a new view of the world and your place in it.

In this, his premiere work, Cornel West provides readers with a new understanding of the African American experience based largely on his own political and cultural perspectives borne out of his own life's experiences. He challenges African Americans to consider the incorporation

Download Free Race Matters Cornel West

of Marxism into their theological perspectives, thereby adopting the mindset that it is class more so than race that renders one powerless in America. Armed with a new introduction by the author, this Twentieth Anniversary Edition of *Prophesy Deliverance!* is a must have.

An unflinching look at nineteenth- and twentieth-century African American leaders and their visionary legacies. In an accessible, conversational format, Cornel West, with distinguished scholar Christa Buschendorf, provides a fresh perspective on six revolutionary African American leaders: Frederick Douglass, W. E. B. Du Bois, Martin Luther King Jr., Ella Baker, Malcolm X, and Ida B. Wells. In dialogue with Buschendorf, West examines the impact of these men and

Download Free Race Matters Cornel West

women on their own eras and across the decades. He not only rediscovers the integrity and commitment within these passionate advocates but also their fault lines. West, in these illuminating conversations with the German scholar and thinker Christa Buschendorf, describes Douglass as a complex man who is both “ the towering Black freedom fighter of the nineteenth century ” and a product of his time who lost sight of the fight for civil rights after the emancipation. He calls Du Bois “ undeniably the most important Black intellectual of the twentieth century ” and explores the more radical aspects of his thinking in order to understand his uncompromising critique of the United States, which has been omitted from the American collective memory. West argues that our selective memory has

Download Free Race Matters Cornel West

sanitized and even “ Santaclausified ” Martin Luther King Jr., rendering him less radical, and has marginalized Ella Baker, who embodies the grassroots organizing of the civil rights movement. The controversial Malcolm X, who is often seen as a proponent of reverse racism, hatred, and violence, has been demonized in a false opposition with King, while the appeal of his rhetoric and sincerity to students has been sidelined. Ida B. Wells, West argues, shares Malcolm X ’ s radical spirit and fearless speech, but has “ often become the victim of public amnesia. ” By providing new insights that humanize all of these well-known figures, in the engrossing dialogue with Buschendorf, and in his insightful introduction and powerful closing essay, Cornel West takes an important step in rekindling the Black prophetic fire so

Download Free Race Matters Cornel West

essential in the age of Obama.

In this powerful collection by one of today's leading African American intellectuals, *Keeping Faith* situates the current position of African Americans, tracing the genealogy of the "Afro-American Rebellion" from Martin Luther King to the rise of black revolutionary leftists. In Cornel West's hands issues of race and freedom are inextricably tied to questions of philosophy and, above all, to a belief in the power of the human spirit.

Draws on the ideas of W.E.B. Du Bois to study the hopes and fears of the African American community at the dawn of the twenty-first century
